

FIG. 1

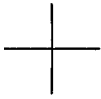

FIG. 1 is a map of Europe, North Africa, and Western Asia, showing the outlines of the continents and major countries. Several arrows originate from a central point in Western Europe (around France) and point towards various locations. The arrows are labeled with numbers: 101, 102, 103, 104, and 105. Arrow 101 points towards the British Isles. Arrow 102 points towards the Iberian Peninsula. Arrow 103 points towards the Mediterranean coast of North Africa. Arrow 104 points towards the coast of Western Africa. Arrow 105 points towards the coast of Eastern Africa. The map is oriented with North at the top.
